

## **SPONSOR TOSCO MUSIC**

For the first time in its 30-year history, Tosco Music is establishing sponsors through partnerships with area businesses.

Creative and flexible benefits are available in the following areas:

- **Marketing & Public Relations** – Positive public relations and brand elevation through unique connectivity with core constituencies. Tosco Music’s robust social media platform and our Facebook Share Team are well positioned to leverage substantial consumer impressions and marketing reach.
- **Employee Engagement** – As a fun, entertaining activity, Tosco Music Parties are ideal backdrops for business engagement as corporate retreats or sales-oriented hospitality. Tosco Music offers negotiable options like on-site lunchtime concerts and corporate retreats as possible benefits of sponsorship at higher levels.
