Does membership include tickets to Tosco Music Parties?

Tickets are not a perk of any membership level. Members keep flexibility with selecting their seats when they purchase tickets. A 10% discount is available

when tickets are purchased with a student ID, in groups of 10 or more, or for two or more shows at one time.

How does priority access to ticket sales work?

On October 1st, members are emailed a special link that allows them to purchase tickets to Tosco Music Parties a full month before they go on sale to the general public in November.

How long is my Tosco Music Membership active?

Memberships purchased at the 2016 September TMP through 12/31/2016 are active through 12/31/2017. Memberships purchased 1/1/2017 and afterward are active for 12 months from the date of membership donation.

What is the VIP Lounge?

In the Blanchfield Room on the 2nd floor of the Knight Theater lobby before the show and during intermission of each Tosco Music Party, meet with other music lovers, Tosco Music members, and Board members. Tickets include wine, beer, soft drinks and light hors d'ouerves. Liquor is available for purchase. Space limited to 50, so an RSVP is welcome for planning purposes.

How do tickets for the VIP Lounge work?

Members may use their VIP Lounge passes anytime within their membership year. No physical tickets are provided, instead we keep track of tickets at the door. Members simply check in at the door, and enjoy!

May I purchase additional VIP Reception tickets for guests or bring children?

Yes, anyone may purchase tickets to VIP receptions at the door, space permitting. Children are welcome, and children age 12 or under do not need a ticket. Remember that space is limited to 50 people.

What are the benefits of a backstage pass?

Come behind the scenes before and after the show. Backstage pass holders can join staff, volunteers, and performers for dinner in the green room before the show and are invited onstage for the closing singalong. Please RSVP the week before the show so that we can send you instructions about checking in and receiving your backstage pass at the back entrance of Knight Theater starting at 5:30PM. Backstage passes do not include a seat in the theater for the concert.

Where is dinner located, and what does it include?

Volunteers can help you find the Green Room located on the second floor backstage and is accessed by elevator at the check-in table. Menu varies with at least one meat option, a vegetarian side dish, and a salad, and non-alcoholic drinks.

What else do I need to know about coming backstage?

Please be aware of posted signs backstage. For example, please speak quietly when you are backstage. Backstage left is designated only for performers about to go on stage to perform. The show starts at 7:30 P.M. If you come backstage before the show, be sure to allow yourself enough time to find your seat in the theater before the opening singalong.
