

2017 VOLUNTEER NEEDS

Help Tosco Music in our quest to secure a sustainable future! Provide administrative support between shows (data entry, event promotion, website updates, communication follow-up and general errands in coordination with contract staff), or join the Social Media Share Committee to share assigned posts 4-6 times per year when designated.

Event support options: pre-show set up starting at 3pm, backstage and intermission hospitality starting at 5pm, or post-show pack-up ending at 12 midnight. Limited needs: professional photos, podcast creation, real-time social media posts. Backstage pass with Green Room dinner. View portions of the show from side-stage or volunteer seats in the theater.

Become a Housing Host by offering lodging and hospitality for travelling performers, assist a performer with their CD or merch sales, or help with co-promotion of TMP performers' area performances by sharing events on social media. Backstage passes with Green Room dinner.

Welcome performers and their supporters, gather audience and performer information, assist with merchandise sales, take photos or video, share real-time social media posts. Most of all enjoy, encourage and be encouraged by brave musicians and vocalists of all experience levels as they share their talent.

Join Tosco Music on our musical adventures in the community! Assist with set-up, pack-up, merchandise sales, photo/video and real-time social media posts. Starting in Summer 2017, we will be expanding our Senior Singalongs! Become trained as a Songleader to play the oldies on guitar and learn how to engage volunteers and seniors in special shared music experiences, or sign up to sing monthly or quarterly at one or more locations.
