## CELEBRATING 30 YEARS OF TMP!

Now in our 30th Season, Tosco Music Parties were born from intimate living room jam sessions in the 1980's. Tosco Music is in our 20th year as a nonprofit organization helping people of all ages in Charlotte explore, develop, and share their passion for music in all its forms.

While we've expanded to larger venues over the years and added new outreach programs like our open mic, youth music scholarships and senior sing along parties, our core value has never changed — it's still all about the music!

At each Tosco Music Party, nationally recognized acts share the stage with undiscovered artists and our audience members enthusiastically sing along. We strive to keep ticket prices low and offer discounts and ticket scholarships so that Tosco Music Parties remain accessible to everyone.

All of the performers are volunteering their talent tonight. Please support them by buying their CDs, hiring them for your own special event, and going to their shows.

Please connect with us on Facebook, Instagram, Youtube and Twitter. Visit [ToscoMusic.org](http://ToscoMusic.org) to join our mailing list, become a Tosco Music member, volunteer, or give feedback.

We hope you'll join us in our effort to share the joy of live music and enrich Charlotte's community for years to come!

[instagram.com/k3officially](https://www.instagram.com/k3officially)

## CANE MILL ROAD

Billboard-charting artists Cane Mill Road grew up just down the road from Doc Watson. They rock the traditional bluegrass they grew up on and boldly write new original music. Liam Purcell (age 16) leads the group on fiddle/mandolin. Holding down the rhythm are ETSU classmates Tray Wellington (banjo, age 19) and Hudson Bosworth (bass, 20). Lead singer Casey Lewis (21) hails from Rocky Gap, VA. [canemillroad.com](http://canemillroad.com)

## VIOLET BELL

This Durham-based duo performs Americana music woven from threads of folk, soul, bluegrass, psychedelic, and classical music. The energy between Lizzy Ross and Omar Ruiz-Lopez is fiery, intimate and intuitive. The pair have played shows from Montreal to Miami since forming in 2016, resulting in a strong onstage chemistry. [lizzy.net](http://lizzy.net)

## THE BAILSMEN

Brooklyn's hot jazz and gypsy swing band deliver a sound straight from New York by way of New Orleans, nodding to Django Reinhardt, Sidney Bechet, Louis Armstrong and Duke Ellington. Classics and originals are all given a fresh spin by these young musicians. The Bailsmen are Abraham Pollack (bass), Brandon Vetrano (guitar), Charlie Castelluzzo (guitar), and Gabriel Evan (saxophone). Hear them on Spotify! [thebailsmen.com](http://thebailsmen.com)

## EMILY SAGE

This Charlotte-based Indie artist has strong leanings in jazz and soul. Her romantic and lullaby-like songwriting style is largely influenced by her time spent growing up in Portugal. Emily Sage loves collaborating and has been creating new content with different artists in Charlotte and curating CLT Loft Sessions, an intimate concert series in South End. She is in the process of recording a full-length album with producer Dylan Byrnes in Nashville. She released her first single last month, "Nearer To You", which is available on all music streaming services. [emilysagemusic.com](http://emilysagemusic.com)

In 2017, they won a Grammy for "Best Bluegrass Album" with the Mark O'Connor Band. Over a 40-year career playing and composing in a variety of styles (bluegrass, jazz, classical), Mark has won national titles on fiddle, bluegrass guitar and mandolin, and Country Music Association's Musician of the Year 6 years in a row. [facebook.com/SusanRicheyMusic](https://www.facebook.com/SusanRicheyMusic)

## CHRISTOPHER HENRY

## (WHAT A) WONDERFUL WORLD

(S. Cooke)

Don't know much about history  
Don't know much biology  
Don't know much about a science book  
Don't know much about the French I took

But I do know that I love you  
And I know that if you love me, too  
What a wonderful world this would be

Don't know much about geography  
Don't know much trigonometry  
Don't know much about algebra  
Don't know what a slide rule is for

But I do know one and one is two  
And if this one could be with you  
What a wonderful world this would be

Now, I don't claim to be an "A" student  
But I'm tryin' to be  
For maybe by being an "A" student, baby  
I can win your love for me

Don't know much about history  
Don't know much biology  
Don't know much about a science book  
Don't know much about the French I took

But I do know that I love you  
And I know that if you love me, too  
What a wonderful world this would be

(REPEAT FROM CHORUS)

## APRIL SHOWERS / PENNIES FROM HEAVEN

(L. Silvers, B.G. De Sylva) / (A. Johnston, J. Burke)

Though April showers may come your way  
They bring the flowers that bloom in May  
So if it's raining, have no regrets  
Because it isn't raining rain you know  
It's raining violets

And where you see clouds upon the hills  
You soon will see crowds of daffodils  
So keep on looking for a bluebird  
And listening for his song  
Whenever April showers come along

---

Every time it rains it rains  
Pennies from heaven  
Don't you know each cloud contains  
Pennies from heaven

You'll find your fortune falling all over town  
Be sure that your umbrella is upside down

Trade them for a package of sunshine and flowers  
If you want the things you love you must have showers  
So when you hear it thunder don't run under a tree  
There'll be pennies from heaven for you and me

---

## PUFF, THE MAGIC DRAGON

(L.Lipton. P. Yarrow)

Puff, the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called Honalee  
Little Jackie paper loved that rascal Puff  
And brought him strings and sealing wax  
and other fancy stuff, oh

**Puff, the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called Honalee  
Puff, the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called Honalee**

Together they would travel on a boat with billowed sail  
Jackie kept a lookout perched on Puff's gigantic tail  
Noble kings and princes would bow whene'er they came  
Pirate ships would lower their flags when Puff roared out  
his name, oh

**(Chorus)**

A dragon lives forever but not so little boys  
Painted wings and giant's rings make way for other toys  
One grey night it happened, Jackie Paper came no more  
And Puff that mighty dragon, he ceased his fearless roar

His head was bent in sorrow, green scales fell like rain  
Puff no longer went to play along the cherry lane  
Without his life-long friend, Puff could not be brave  
So Puff that mighty dragon sadly slipped into his cave, oh

**(Chorus)**

## AIN'T TOO PROUD TO BEG

(N. Whitfield, E. Holland, Jr.)

I know you wanna leave me  
But I refuse to let you go  
If I have to beg and plead for your sympathy  
I don't mind 'cause you mean that much to me

**Ain't too proud to beg, sweet darlin'  
Please don't leave me girl, don't you go  
Ain't too proud to plead, baby, baby  
Please don't leave me, girl, don't you go**

Now I've heard a cryin' man is half a man  
With no sense of pride  
But if I have to cry to keep you I don't mind weepin'  
If it'll keep you by my side

**(Chorus)**

If I have to sleep on your doorstep all night and day  
Just to keep you from walkin' away  
Let your friends laugh even this I can stand  
'Cause I wanna keep you anyway I can

**(Chorus)**

(Instrumental break)

Now I've got a love so deep in the pit of my heart  
And each day it grows more and more  
I'm not ashamed to come and plead to you baby  
If pleadin' keeps you from walkin' out that door

**(Chorus) 2 times**

## HO, HEY

(W. Schultz, J. Fraités)

I've been trying to do it right  
I've been living a lonely life  
I've been sleeping here instead  
I've been sleeping in my bed  
Sleeping in my bed

So show me family  
All the blood that I would bleed  
I don't know where I belong  
I don't know where I went wrong  
But I can write a song

**I belong with you, you belong with me  
You're my sweetheart  
I belong with you, you belong with me  
You're my sweetheart**

I don't think you're right for him  
Look at what it might have been if you  
Took a bus to China Town  
I'd be standing on Canal  
And Bowery  
And she'd be standing next to me

**(Chorus)**

Love, we need it now  
Let's hope for some  
So, we're bleeding out

**(Chorus)**

## WITH A LITTLE HELP FROM MY FRIENDS

(J. Lennon, P. McCartney)

What you would think if I sang out of tune  
Would you stand up and walk out on me  
Lend me your ears and I'll sing you a song  
And I try not to sing out of key

**Oh, I get by with a little help from my friends  
Mm, I get high with a little help from my friends  
Ooh, I'm gonna try with a little help from my friends**

What do I do when my love is away  
Does it worry you to be alone  
How do I feel by the end of a day  
Are you sad because you're on your own

**(Chorus)**

Do you need anybody  
I need somebody to love  
Could it be anybody  
I want somebody to love

Would you believe in a love at first sight  
Yes I'm certain that it happens all the time  
What do you see when you turn out the light  
I can't tell you, but I know it's mine

**(Chorus)**

Do you need anybody  
I just need someone to love  
Could it be anybody  
I want somebody to love

**(Chorus)**

Yeah, I get by with a little help from my friends  
With a little help from my friends
