TOSCO
MUSIC
PARTY

**KNIGHT THEATER AT LEVINE CENTER FOR THE ARTS
CHARLOTTE, NC**

Welcome

Born from intimate living room jam sessions more than 30 years ago, Tosco Music became a nonprofit organization in 1999 dedicated to helping people of all ages explore, develop, and share their passion for music in all its forms.

We've expanded to larger venues over the years and added new outreach programs like our open mic, music scholarships and senior singalong parties, but our core value has never changed — it's still all about the music!

At each Tosco Music Party, nationally recognized acts share the stage with undiscovered artists and our audience members enthusiastically sing along. We strive to keep ticket prices low and offer discounts and ticket scholarships so that the music parties remain accessible to everyone.

Please support tonight's performers by buying their CDs, hiring them for your own event, and going to their shows.

We hope you'll join us in our effort to share the joy of live music and enrich Charlotte's community for years to come. Connect with us online or in the lobby tonight to make a donation or sign up for our e- newsletter or to volunteer.

TONIGHT'S PERFORMERS

Chelsea Clare Edenfield

Only 12 years old, Chelsea Clare draws inspiration from the deep roots of bluegrass and southern gospel. Chelsea's dad, Joe, has been and continues to be the main musical influence in her life through vocal coaching and teaching her ukulele, piano, and guitar. Her uncle, Jason Fraley, with Deeper Shade of Blue and grandfather, Jim Fraley, are well-known in the bluegrass community. The musical history on both sides of her family dates back even further with two great-grandparents playing fiddle and another owning his own opy house and recording label. [@chelseaclaremusic](#)

Eduardo de Rosamaria Duo

Spanish/Flamenco guitarist Eduardo de Rosamaria and Ryan Johnson, his fellow guitarist from Eduardo & The Paco Band and lead guitarist for Blatant Disarray, will perform one of the most virtuosic guitar compositions of the last century. "Mediterranean Sundance/Rio Ancho" was written by Paco de Lucia and Al Di Meola and was first performed in 1981 in San Francisco on the iconic album "Friday Night in San Francisco". Walter Kolosky, jazz author and critic, called it "the most influential of all live acoustic guitar albums". [@ed_stephenson](#)

Admiral Radio

Inspired by the prior life of their vintage radio, Admiral Radio makes music worth gathering 'round to. This infectious husband and wife duo hails from the heart of South Carolina, weaving a unique Americana sound rooted in tradition that plucks on the heartstrings of modern day listeners. With thoughtful storytelling and tight-knit harmonies, Coty and Becca not only carry a knack for humble penmanship and musical ability, but a palpable sincerity and genuine love for the audiences they serve. [@admiral.radio](#)

Cedric Mangum & Co.

Trombone "shout bands" are an exciting tradition in the United House of Prayer for All People, a denomination with Charlotte roots dating back to the 1920s. Massed horns blow mighty hymns of praise. Cedric Mangum, longtime leader and teacher, brings a hand-picked ensemble to TMP. The high-energy trombone-led band and a capella singing are something to experience. "When a dozen or more trombones get going, plus tuba and drums, it's not hard to 'feel the spirit move!'" historysouth.org/shout

Anna Rae Haller

Anna Rae is a 16-year-old emerging talent infusing Nashville's country music scene with her vibrant energy. From her early Broadway debut in Disney's Frozen at 12 to her current journey in Music City, Anna Rae seamlessly blends her love for storytelling with her authentic musical style. Follow her on social media for updates and join the excitement surrounding this promising young artist's rise! [@annaraehaller](#)

Chinobay

Born and raised in the vibrant heart of Kampala, Uganda, Chinobay has undertaken the task of revitalizing traditional classics, while mastering an array of traditional instruments. The rhythms that emanated near his childhood home formed the backdrop of his early years. Today, he stands as a seasoned songwriter, a dedicated educator, and a bridge-builder between cultures. Chinobay's music serves as a catalyst for positive change aimed at enhancing the lives of children across the globe. He exemplifies the transformative power of music, education, and advocacy in shaping a brighter, more inclusive future for all. [@chinobayk](#)

Robin Bullock

Proud transplant to the North Carolina mountains, Robin Bullock is ranked among the "100 Greatest Acoustic Guitarists" by DigitalDreamDoor.com and is a longtime touring sideman with "Lifetime Achievement Grammy Award" winner Tom Paxton. Bullock began frequenting Western North Carolina in 1996, when he was invited to teach at the Swannanoa Gathering, Warren Wilson College's educational program of summer folk arts workshops. He's remained on staff each year and has also been a fixture at the Swannanoa Solstice since its 2003 inception. [robinbullock.com](#)

justincase

Consisting of Tosco siblings Hannah, Justin, and Nick, justincase is an American alternative-pop band from Charlotte, who were signed to Maverick Records in late 2001 with the help of Michelle Branch. The band released its self-titled debut album in 2002, toured nationally to further promote the album and has shared stages with national touring acts such as Michelle Branch, Duncan Sheik, Fastball, and the Goo Goo Dolls. They are excited to return to the Tosco Music Party stage and will be playing a one-time reunion show at Visulite Theatre on May 17th. [@jetosco](#)

JD Wilson

JD Wilson is originally from Winston-Salem and now lives in Illinois. He first attended a Tosco Music Party 30 years ago. Participating as a founding member of The Beatdukes, performing with songwriter Rick Spreitzer and singing with Tosco Music Party's house band have been the highlights of his career so far. In May, he will help kick off a spring/summer writer's series Backporch Chataqua in Petersburg, Springfield, IL. jdwilson1055@yahoo.com

Ettore Buzzini

Eddie Ray Buzzini (whose given name is Ettore), lives in a multilingual household in Mooresville where his Swiss-Italian father and East-Tennessee born mother offer him a vibrant mix of European and Appalachian culture. This prodigious young vocalist, instrumentalist, and songwriter, is only 16 years old. Eddie enjoys playing traditional covers as well as penning his own creations, from traditional bluegrass through Latin jazz. His debut solo album, Eddie Ray, came out in 2022. [@eddierraythebuzz](#)

Jason Jet

Jason Jet's musical style is truly one-of-a-kind. Since his migration to Charlotte from Iceland, he has firmly established himself in the realm of indie-soul music. Endowed with a brilliant tenor voice, astonishing production skills, and captivating lyricism, this alluring singer-songwriter possesses an almost trance-like effect on his audience. Already a recipient of numerous accolades, Jason is widely regarded by industry insiders as the next big sensation. Recently, Jason took the initiative to establish GrindHaus Studios, the first-ever creative coworking recording studio in Charlotte. [@jasonjet](#)

Sing Along

Rock Around the Clock

(M. Freedman, J. DeKnight)

One, two, three o'clock, four o'clock rock
Five, six, seven o'clock, eight o'clock rock
Nine, ten, eleven o'clock, twelve o'clock rock
We're gonna rock around the clock tonight

Put your glad rags on and join me hon'
We'll have some fun when the clock strikes one

We're gonna rock around the clock tonight
We're gonna rock, rock, rock, 'till the broad daylight
We're gonna rock, gonna rock
Around the clock tonight

When the clock strikes two, three, and four
If the band slows down, we'll yell for more

(Chorus)

(Instrumental break)

When the chimes ring five, six, and seven
We'll be right in seventh heaven

(Chorus)

When it's eight, nine, ten, eleven, too
I'll be going strong, and so will you

(Chorus)

(Instrumental break)

When the clock strikes twelve, we'll cool off then
Start rockin' 'round the clock again

(Chorus)

Sing Along

Carolina in the Morning

(G. Kahn & W. Donaldson)

Nothing could be finer than to be in Carolina
In the morning
No one could be sweeter
than my sweetie when I meet her
In the morning

Where the morning glories twine around the door
Whispering pretty stories I long to hear once more

Strolling with my girlie
where the dew is pearly early
In the morning
Butterflies all flutter up and kiss each little buttercup
At dawning

If I had Aladdin's lamp for only a day
I'd make a wish and here's what I'd say
Nothing could be finer than to be in Carolina
In the morning

(instrumental break)

Where the morning glories twine around the door
Whispering pretty stories I long to hear once more

Strolling with my girlie
where the dew is pearly early
In the morning
Butterflies all flutter up and kiss each little buttercup
At dawning

If I had Aladdin's lamp for only a day
I'd make a wish and here's what I'd say
Nothing could be finer than to be in Carolina
In the morning

Sing Along

I Wanna Dance with Somebody

(G. Merrill & S. Rubicam)

Clock strikes upon the hour
And the sun begins to fade
Still enough time to figure out
How to chase my blues away
I've done alright up to now
It's the light of day that shows me how
And when the night falls, loneliness calls

**Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me**

I've been in love and lost my senses
Spinning through the town
Sooner or later the fever ends
And I wind up feeling down
I need a man who'll take a chance
On a love that burns hot enough to last
So when the night falls, my lonely heart calls

Chorus

Somebody whoo, somebody whoo
Somebody who loves me
Somebody whoo, somebody whoo
To hold me in his arms

I need a man who'll take a chance
On a love that burns hot enough to last
So when the night falls, my lonely heart calls

Chorus

Don'tcha wanna dance, say you wanna dance
Don'tcha wanna dance

Chorus

Sing Along

I Can't Help Myself (Sugar Pie, Honey Bunch)

(B. Holland, L. Dozier, E. Holland)

Sugar pie, honey bunch, you know that I love you
I can't help myself, I love you and nobody else

In and out my life, you come and you go
Leaving just your picture behind
and I've kissed it a thousand times

When you snap your finger or wink your eye
I come a-running to you
I'm tied to your apron strings
And there's nothing that I can do

(Instrumental break)

Sugar pie, honey bunch, I'm weaker than a man should be
I can't help myself, I'm a fool in love, you see

Wanna tell you I don't love you, tell you that we're through
and I try
But every time I see your face, I get all choked up inside

When I call your name, girl, it starts to flame
Burnin' in my heart, tearin' it all apart
No matter how I try, my love I cannot hide

'Cause sugar pie, honey bunch
You know that I'm waiting for you
I can't help myself, I love you and nobody else

Sugar pie, honey bunch, do anything you ask me to
I can't help myself, I want you and nobody else

Sugar pie, honey bunch, you know that I love you
I can't help myself, no, I can't help myself

Sing Along

Put a Little Love in Your Heart

(J. DeShannon, J. Holiday, R. Myers)

Think of your fellow man, lend him a helping hand
Put a little love in your heart
You see it's getting late, oh, please don't hesitate
Put a little love in your heart

**And the world will be a better place
And the world will be a better place
For you and me, you just wait and see**

Another day goes by, and still the children cry
Put a little love in your heart
If you want the world to know, we won't let hatred grow
Put a little love in your heart

**And the world will be a better place
And the world will be a better place
For you and me, you just wait and see
Wait and see**

Take a good look around, and if you're looking down
Put a little love in your heart
I hope when you decide, kindness will be your guide
Put a little love in your heart

**And the world will be a better place
And the world will be a better place
For you and me, you just wait and see**

Put a little love in your heart (Repeat)
