## ABOUT TOSCO MUSIC

Tosco Music has been presenting Tosco Music Parties (TMPs) for 35 years and became a nonprofit 25 years ago. Tosco Music has evolved into a nonprofit arts organization whose events and community outreach have a deeply rooted history and far-reaching impact in Charlotte.

- Tosco Music celebrated the 100th TMP in April 2022, 20th Tosco Music Beatles Tribute last year, and this December will mark the 10th annual Tosco Music Holiday Party!
- Since 2010, Tosco Music has awarded more than \$55,000 to help 114 youth and adult musicians further their skills, including a dozen new winners in January!
- Each year, Tosco Music Open Mic supports hundreds of performances at a monthly, family-friendly gathering, including many musicians across the age spectrum who are bravely taking the stage for the first time.
- Tosco Music also brings music into the community at approximately 100 activities and 30 locations throughout Charlotte each year, with half of those provided for older adults in the communities where they live. These performances provide paid opportunities for a wide variety of local musicians, hundreds each year.

Tosco Music presents live music with purpose. Our nonprofit mission is to present a wide variety of music through performances and outreach programs, foster a sense of community among listeners and performers, and connect professional and amateur musicians to share and inspire one another. Community investment helps us serve the community in these four impact areas:

- Bridging Cultures Through Music
- Supporting Musicians of All Ages
- Drawing Audiences to Charlotte
- Cultivating Audiences Across Generations
