Ticket Scholarship Program

Tosco Music Parties appeal to music-loving audiences of all kinds and ages!

Even though Tosco Music Parties have been taking place in Charlotte since the mid-1980's, some have referred to TMP's as Charlotte's "best kept secret", or a "hidden gem" in the Queen City's jewels. This is not by design.

Tosco Music incorporated as a nonprofit in 1999 due to popular demand to expand the music parties to ever larger venues, and the grassroots effort spread over the decades primarily by word of mouth. Paid advertising was not possible for more than a decade, and only since moving all TMP's to Knight Theater in 2014 (as a resident company of Blumenthal Performing Arts) has Tosco Music been able to invest in sharing our story and promoting our music parties to new audiences.

Ticket Scholarships were added in 2014 as another way Tosco Music provides access for new audiences to the music parties. Each Tosco Music Party hosts several Charlotte nonprofits and the communities they serve by offering group tickets.

Want your nonprofit organization to have free tickets to bring a group to TMP?

- Email info@toscomusic.org to make a Ticket Scholarship request, or call 704-568-9685 if you have questions
- Speak with others in your group and confirm who will be able to attend – each TMP can accommodate several groups of 10-20, depending on demand
- Please only request the number of tickets that you are certain your group will use so that seats are not left empty when other groups could have used them.
- By the Monday before the TMP, email to confirm the exact number of tickets and what name(s) to put them in at will call

Here are some of the past recipients of ticket scholarships to Tosco Music Parties:

ourBRIDGE for KIDS	Charlotte Folk Society
Children's Home Society of NC	The Arts Center for All
Moore Place	Countryside Montessori
McCreesh Place	Charlotte Host Family Program
Behailu Academy	The Wolfe School
Community School of the Arts	Arc of Mecklenburg County
Jazz Arts Initiative	Mecklenburg County DSS
