

Join our community of music-loving volunteers!

(updated 6.17.26)

Have you thought about getting more involved with Tosco Music?

See the needs below *and on page 2*, and let us know your interests so we can reach out!

Sign up to Help with Events & Community Outreach

- **Events** - help make the events a success through working backstage, front of house and making things run smoothly; we especially need a few more hands to help with pack up at the end of the night.
- **Outreach Impact** - Assist with tabling at community events and outreach performances, collect stories to share our impact.
- **Social Media Team** - Savvy video-editing volunteers are needed to help transform our amazing inventory of high-quality photo/video assets into brief reels for social media.
- **FabFest Outreach** - Help distribute fliers and reach out to community groups to share about FabFest Daytime's FREE opportunities for family fun!

Volunteers receive a complimentary ticket to enjoy Tosco Music Party. First-time volunteers receive a Tosco Music t-shirt and attend an information session beforehand. See page 2 for more details about volunteer needs.

Learn about Serving as a Board Committee Volunteer

Tosco Music's Board Committees include active, experienced volunteers who support the efforts of our small but mighty staff.

Committee service involves a monthly virtual meeting and approximately 1-2 hours between meetings:

- making outreach contacts in the community to open doors for potential sponsorships or print program ads, group ticket sales, or media opportunities, or
- help support fundraising efforts by bringing new and creative ideas, identifying potential partners, and helping strengthen community investment in Tosco Music's mission.

Would you enjoy making connections with businesses and community groups as an ambassador for Tosco Music's programs? Let's talk! Use the website [Contact Form](#).
